A new Subjective Global Assessment (SGA) video collection© is available! SGA helps clinicians determine a patient’s risk of malnutrition and identify those who would benefit from nutrition support.

**INCLUDES:**
- Part 1: SGA Techniques (16 mins)
- Part 2: SGA In Action (~17 mins)
- Part 3: Frequently Asked Questions (~18 mins)
- Bonus Video: Compendium of Case Studies (~27 mins)

**PRICING**
- CNS Member & Student Member: $30.00
- Non Member: $50.00
- Bulk Pricing Available

Available in both English & French from the CNS Education Portal

Join CMTF on June 16 for an overview of the new SGA Video Collection and next steps. For more details/registration visit: [https://cns-scn.ca/events-activities](https://cns-scn.ca/events-activities)
